Meet Harlem with Ms. Maxwell as she goes over the basics of teaching puppy to know its name, walk on the leash, and crate training.

11:00 [Pizza, Pizza, PIZZA!](#)

Do you love pizza? Ms. Rodriguez teaches you step by step in how to make your pizza with simple supermarket ingredients.

2:00 [Flower Pot Craft](#)

Principal Hawkins shows you how to paint and decorate a clay pot for your flowers and herbs.

July 3

9:00 [American Flag Poke Cake](#)

Create a festive 4th of July cake 😊 with Ms. Norton.

11:00 [Lasagna](#)

Mr. & Mrs. Murph teaches campers how to make homemade lasagna. It's going to be soooo yummy!

2:00 [Sew A Button](#)

Grab your button, needle, and thread, as Ms. Zito teaches you how to sew a button.

July 6

9:00 [Game On](#)

Ms. LaMattina tours a leading entertainment company that creates different virtual games.

11:00 [Learn to Sing](#)

Mr. Rose teaches you how to breathe and project while singing.

2:00 [Build a Website](#)

Mrs. Williams's daughter, Natalee, shows you how to make a website (this should be interesting and funny).

4:00 [123 Cookies](#)

Hop into your kitchen with Ms. Wallin as she will show you how to bake cookies using minimum ingredients.

July 7

9:00 [Calm Down Jar](#)

Do you sometimes get angry and wish you had a tangible tool to help get you back on a positive side? Think no further- this video shows how to make a Calm Me Down jar. Use for yourself or as a gift!

11:00 [Lifeguard on Duty](#)

It is that time of year where children are going to beaches, going swimming, and playing in the water to keep them cool. Join our staff lifeguard, Ms. Sandor, as she shows how to stay safe when doing some of these activities.

2:00 [Piece of Cake](#)

Do you like to bake? If so, you will enjoy learning a simple cake recipe that you can bake with your family. Come and learn how to cook a great tasting cake with as little as three ingredients with Ms. Grace and a special guest!

4:00 [Spice & Nice](#)

Join Ms. Beganski and Matthew in the garden as they teach you how to plant peppers. From sweet, crisp peppers in rainbow shades to hot habaneros pepper – peppers are a great veggie to grow in the summer.

July 8

9:00 [Mentos & Coke](#)

We have seen people place one, two, or three mentos in a coca-cola bottle and get a quick reaction. What will happen when Dr. Mitchell pokes two tiny holes in a pack of Mentos, drop it in a Coca Cola bottle, and fasten the top real fast? Will it blow up? Will a geyser erupt? Let us find out.

11:00 [Common Good Gardens](#)

Learn about the power of one person, as Principal Hawkins visits, The Common Good Gardens. Discover how a shoreline gardener wondered how she could address the problem of hunger locally. A woman with an "enviable power of persuasion" approached a church member (who was also an Old Saybrook Selectman) about the unused parcel of land behind Grace Episcopal Church on Main Street. The church accepted, having wanted to use the land for outreach. So, in 2002, a group of local gardeners came together to design and build a garden that would go on to serve thousands of food insecure community members for many years.

2:00 [Hiking in Hungary, Episode 2](#)

Join Ms. Felenyi on another adventure in Hungary. You will visit a small island in Budapest and explore nature, as well as some ways to protect the environment.

July 9

9:00 [DIY Lava Lamp](#)

Ms. Bonhomme teaches you how to make your lava lamp. Totally cool!

11:00 [Grow Your Veggies](#)

Mr. Whiteley shows you the step by step process on how to plant a vegetable garden.

2:00 [Stretch it Out](#)

Join Ms. Rodriguez in practicing some calming breathing and stretching exercises.

July 10

9:00 [Summer Crafting](#)

Ms. Curcio shows you how to make three different summer arts and crafts projects using recycled materials found at home!

11:00 [Puff-Puff](#)

Who doesn't enjoy finger foods? Join Mrs. Nathan as you will learn how to make a delicious Afro-Caribbean snack for your next guests.

2:00 [Road Trip – National Aquarium](#)

Road Trip! Ms. Christina takes you to Baltimore, Maryland to check out the National Aquarium.

July 13

9:00 [Smoothie](#)

Making Smoothies with Mrs. McCallop - A nice cool treat for a hot summer day. Learn how to make a fast, refreshing, and nutritious treat.

11:00 [I Am Enough](#)

Campers will enjoy listening to the story "I am Enough" by Grace Byers, read by Ms. McDermott. Following the story, we will discuss self-esteem, and campers will be encouraged to draw and submit their self-portrait.

2:00 [Paper Rocket](#)

Learn how to make a paper rocket with Ms. McDonald.

July 14

9:00 [Berry Oat Breakfast Bars](#)

Hop into your kitchen with Ms. Novarro and learn how to make these fantastic Berry Oat breakfast bars.

11:00 [Holy Guacamole!](#)

Who loves guacamole?! Ms. Sandor will show you step by step how to make guacamole that you can enjoy with tortilla chips, tacos, and so much more!

2:00 [Crayon Wall Art](#)

Let your creative juices run with Ms. Bohomme as you create a piece of fun wall art using melted crayons.

July 15

9:00 [Lake Wintergreen](#)

Part of West Rock Ridge State Park. A nature trail surrounds the lake, while additional trails in the park connect to Regicides Trail. Canoeing, fishing. Sunrise-sunset.

11:00 [A Trip to the Vet](#)

Explore a day at the vet with Ms. LaMattina. You are sure to meet a lot of cool animals and people.

2:00 [Paper Airplanes](#)

Ms. Breslin and her friend will give campers a tutorial on how to create a paper airplane that flies fast and far.

July 16

9:00 [Draw a Face](#)

Have you always wondered how characters are created in some of your favorite picture books? Mrs. McCallop and her son Caleb break down the steps to creating a facial sketch.

11:00 [Bake Sale](#)

Let's start a bake sale this summer! Join Ms. Santos in learning everything you need to start your own bake sale. Don't forget to bring your creativity!

2:00 [Get Outside!](#)

Join Mr. Corkery outside as he teaches you games like Bocce, Ladder golf and table tennis.

4:00 [Wash Your Pet](#)

Giving your dog regular baths is an essential part of ongoing grooming and good hygiene. Join Ms. Cassile and Duke as she gives him a bath.

July 17

9:00 [Introduction to Flight](#)

Join Principal Hawkins, who is also a private pilot for an enjoyable introduction to the world of flight with some fun activities, interesting facts, and cool demonstrations. People have always understood that flight was possible from observing birds, but it took thousands of years to achieve, and there were many hurdles along the way. Learn about the forces involved in flying, such as lift, gravity, thrust, and drag, as well as Bernoulli's principle and much more.

11:00 [Lip Scrub](#)

Self-Care activity. Ms. Maxwell shows you how to make her homemade lip scrub using ingredients in the pantry. Lip scrubs get rid of dry skin on the lips.

2:00 [Meet Brownie, the Rottweiler](#)

Learn some cool facts about Rottweilers and how to train a dog with Ms. Grace.

July 20

9:00 [Cheerleading 101](#)

Ready, OK! Learn some basic cheers with Ms. Curcio.

11:00 [Phrase 10](#)

House of Perry Illuminator, Mrs. Griffin, will teach you how to play phase 10 like a champ!

2:00 [Let's Write a Poem](#)

Join Ms. Maxwell as she teaches you how to create a poem. Did you know that Ms. Maxwell wrote a book of poetry? Tune In to learn more!

July 21

9:00 [Draw a Tree](#)

Ms. Stephens teaches you how to draw a tree for your drawings or paintings.

11:00 [Backyard Exploration](#)

Check out Ms. Zito's backyard as she explores living on a pond and nature preserve. You'll meet cool animals too.

2:00 [Barbie Birthday Cake](#)

Learn to make Ms. McDonald's traditional Barbie Birthday Cake. The cake is made in the shape of a princess gown and surrounds Barbie.

4:00 [Oven S'Mores](#)

Ms. Bonhomme shows you how to make yummy s'mores in the oven.

July 22

9:00 [Fortune Teller](#)

Make a fortune teller with Ms. Stephens. What's in your future???

11:00 [Creative Poem with Mrs. Griffin](#)

Influenced by current events, learn how to release your emotions on paper and not with violence with Mrs. Griffin.

2:00 [At the Beach](#)

Take a nature walk on the beach with Ms. Land! We will look for different shells and wildlife.

July 23

9:00 [Bubble Snakes](#)

These bubble snakes are an easy summer activity for campers! Ms. Meehan will teach you how to make the coolest, longest snake-shaped bubble with household supplies.

11:00 [Reading in Spanish](#)

Ms. Christina reads a few bilingual kids' books for campers, I Need a Hug.

2:00 [Changing a Tire](#)

Mr. Cobb teaches you an important life lesson – changing a tire.

July 24

9:00 [Learn to Play Chess](#)

Mr. Blakes teaches you how to play the game of chess!

11:00 [We All Scream for Ice Cream](#)

Do you like ice cream? If so, join Ms. Meehan with making ice cream with simple ingredients and a jar.

2:00 [Code a Shark Video Game](#)

Join Principal Hawkins as he teaches you how to create a shark game using code. Grab your computer and let's code! <https://scratch.mit.edu/>

July 27

9:00 [Shoe Lacing Technique](#)

Mrs. McCallop will break down the technique to easily and properly lacing and tying your shoelace.

11:00 [Making Music on Voisey](#)

Join Dr. Mitchell and learn Voisey. This app allows people to upload music or create songs (via singing).

2:00 [Crabbing at the Ocean](#)

Ms. Cassile explores crabbing in Long Island Sound. This will be an adventure of surprises – who knows what she will catch or see!

July 28

9:00 [Woven Placemats](#)

Ms. Meehan shows you how to make cool woven placemats using materials from around your house.

11:00 [Tik Tok Pig](#)

Ms. Land and a special guest demonstrate how to create the Tik Tok Pig. Grab a piece of paper and a marker!

2:00 [Sing with Me](#)

Let your hair down and sing with Ms. Griffin. It's going to be jawesome.

July 29

9:00 [Caramel Sauce](#)

Join Ms. Nathan and her daughter as they teach you how to make a caramel sauce. Caramel is a medium to dark-orange confectionery product made by heating a variety of sugars. It can be used as a flavoring in puddings and desserts, as a filling in bonbons, or as a topping for ice cream and custard.

11:00 [Book Club](#)

Ms. Land and her mom will read one of our favorite books aloud!

2:00 [Ice Cream Sandwich](#)

Campers join Ms. Breslin as she gives a tutorial on how to make your ice cream sandwiches.

July 30

9:00 [Write a Song](#)

Mr. Rose will review different approaches to writing song lyrics. What will your song be about?

11:00 [In the Kitchen with Mr. Blake](#)

Mr. Blake teaches you how to make his amazing French toast.

2:00 [How to Tie a Tie](#)

Struggling to get your uniform looking just, right? Learn how to tie your tie with Ms. McDermott.

July 31

9:00 [Draw A Butterfly](#)

Ms. Stephens shows you how to draw a butterfly.

11:00 [Diet Coke and Mentos](#)

Join Ms. McDonald's daughter's test what happens when you add Mentos to Diet Coke. In this experiment, you will learn the science behind some spectacular geysers they created as they also investigated if Fruit Mentos or Regular Coke has the same fantastic results.

When your done watching, try it for yourself and try adding something new to see what happens.

2:00 [Flower Garden Decorating](#)

Flowers are beautiful, but Ms. Joan will show you how to jazz up your flower garden at home.

August 3

9:00 [Cool Off](#)

Cool Off with a smoothie! Mr. Murph shows you how to make a refreshing smoothie.

11:00 [Slime Fest](#)

Jania and Ms. Jones talk about the science behind slime and make a DIY fluffy slime.

2:00 [Puppet Making](#)

Check out Ms. Novarro as she shows you how to make puppets from lunch bags.

August 4

9:00 [Propagating Granny's Christmas Cactus](#)

About 25 years ago, my grandmother gave me her Christmas cactus when she was moving. Over the years, it flourished and needed to be repotted in bigger pots. But sadly, it has been no match for my new kitten Gracie. I am down to 3 or 4 living branches, so I decided to learn how to propagate new Christmas cactuses from the branches Grace breaks off. I now have approximately six or seven new plants that have grown roots from the segments of a branch!!! It is so cool. I will show you how to do it yourself.

11:00 [Fishing in the Pond](#)

Grab your fishing pole, bait, and join Ms. Joan as she fishes in her pond.

2:00 [Veggie & Noodle Soup](#)

Dr. Nurse Acosta shows you how to make homemade veggie and noodle soup.

August 5

9:00 [Exercise with Mr. Morrison](#)

11:00 [Grill Assembly](#)

Check out Mr. Cobb & Ms. Dewberry assemble her new grill.

2:00 [Stain Glass Candy](#)

Principal Hawkins shows you how to make beautiful stain glass using hard candy.

4:00 [Alkaline vs Acid Water](#)

Campers will learn which is the best water to drink as Ms. Wallin show them how to do a pH Water test.

August 6

9:00 [Yasss Queen](#)

An interview and mixing session with Yasss Queen cosmetics founder, Jania Jones. In this session, she will walk us through how to make the bomb lip gloss that will have you celebrating your inner queen.

11:00 [Cooking with Ms. Santos](#)

Ms. Santos teaches you how to cook a fabulous Chicken Stir Fry and fried rice dish. You're going to love all the veggies in this dish.

2:00 [Flagpole Set up & Hanging](#)

Ms. Joan and Mr. Mike shows you how to set up a flagpole at your home and hang a flag.

August 7

9:00 [Time-lapse](#)

Join Jania as you discover how Bob Ross paints in a silent time-lapse.

11:00 [Cooking with Mr. Morrison](#)

2:00 [Did you say spaghetti?](#)

Ms. Profit shows campers how to make homemade spaghetti.
