Subject: Harbor Reopening Update on Start Date

Dear Families:

Thank you for your continued patience as we receive and relay information in real time. We know that future planning is just as important to you as it is to us, and we are grateful for your feedback as we navigate this journey together.

This past week, Gov Lamont announced a delay to Phase 3 of the state's reopening plan, erring on the side of caution and safety for Connecticut residents. Even though we have made significant progress in our state, the rise in others has made Connecticut determine this is the best decision for us at this time.

Based on this announcement, and feedback we have heard from our families, we feel that it is in our best interest to **push back our school start date from August 10th to August 31st.**

We are currently in the process of finalizing our reopening plan for the Capital Prep Harbor 2020-2021 school year in coordination with state and local guidelines that will be available in early August. While it is our intention to be back in brick and mortar, the safety of our community is always our number one priority. As we receive more information, we will continue to update you in real time in the spirit of transparency and partnership.

Stay tuned for updates,

Dr. Ayanna Carter, Principal
Ronald Hawkins, Principal
